POWERTRAIN COMBINATIONS

ENGINE				TRANSMISSION		AXLE	
OPTION	TYPE	DISPLACEMENT LITERS/CU. IN.	FUEL SYSTEM	CODE	TYPE	OPTION	RATIO
LS1	V8	5.7/350	Sequential Fuel Injection	MXO	4L60E 4-Speed, Auto. w/OD (Standard)	GU5	3.23 Limited Slip

- NOTE:
- B4C Special Service Package is only available with Federal Emissions (FE9).
 - Coolant hoses are EPDM (Ethylene-Propylene-Diene) rubber; silicone hoses are not available.
 - Electronically-controlled transmission provides protection against over-revving the engine in low range gear and a mechanical low gear blockout is not required. If a driver manually selects LOW range and fails to manually upshift to HIGH range, the Powertrain Control Module automatically protects the drivetrain.

SEATS INTERIOR TRIM COLORS

NOTE: The interior trim combinations shown below are the only combinations available.

	EBONY	NEUTRAL	MED. GRAY
Cloth Bucket	19B	—	92B
Leather Bucket*	192	522	—

*Red accent on door trim & seat inserts only, with dark gray accents.
